Hi Erin,

The permits aren't currently listed on the MI website, likely because the source was shut down. I emailed MI asking for copies of any past air permits, and I'll forward their response to you.

Hi Genevieve,

Since I'm a complete air permit novice, I thought I'd just ask you directly. I'm looking for any past air permits for a closed facility called Wolverine World Wide Tannery in Rockford, MI. Who would I ask? I don't even know who's your Michigan contact.

Thanks,  
Erin
